

For the last ten years Guy has worked extensively in film, television, theatre and media education and has produced material for every major British broadcaster.

He produced and directed film and visuals for Hoi Polloi Theatre Company leading to two Edinburgh Festival Gold awards, a long-term residency at the Barbican and tours across the USA, Australia and Japan.

He is currently working on his second feature film, THE SECRET OF THE UNIVERSE, with Emu Films, and an international TV project, both co-written with Sophie Vaughan.
