Dir. Martin Daraz

Short film

Rae has seen several incarnations including a Waiter at Gordon Ramsay's Glasgow take away, Shoe Sales Executive in a less than exclusive Glasgow footwear emporium, Postman, Gallery Attendant and Receptionist at the CCA, one of Scotland's foremost Arts Centres, Kitchen Porter in the renown Café Gandolfi and been a Bouncer (Leisure Industry Steward) at numerous comatosingly boring watering holes. He is very good at Martial Arts. As a youth he drew comic books, wrote gangster screenplays and operated the lights and sound of Glasgow's Old Athenaeum Theatre. He is currently postponing studying a Sociology Degree at Strathclyde University, Glasgow by moving to London.
