

Alastair Upham

Alastair Upham recently graduated from Royal Holloway, University of London, with an MA in Screenwriting for Film and Television. He has spent several years working in distribution and prior to this was an arts and entertainment journalist and film critic.

His current projects include **DANGEROUS REMEDIES**, a dramatisation of the Gunpowder Plot, **PSYCHOPOMPS**, a high-concept contemporary drama about the afterlife, and **FIRST RESPONSE**, a procedural structured around the tenets of modern murder investigation.
